Dear Sir/Madam

I read your advertisement on jora website about job vacancies for web programmer role, I am very interested in this position and I would like to apply to fill the position.

I am in my final year of obtaining my diploma in Information Management Study Program at the State Polytechnic of Malang, so I feel my educational experience has prepared me to work in your company.

I am a disciplined person, I am able to work under pressure, I can multi-task, I can work with a team and I can do things on time.

In addition, I have the following qualifications has not reached the maximum age, GPA 3.00, understands web programming languages, has created at least 2 projects, and is domiciled in the East Java area. In addition to the suitability of qualifications, I am also interested in the field of web development.

The job vacancies I read stated that you are looking for someone who is willing to be placed in Malang City, and I am willing to be placed in Malang city.

Thank you for your time and attention.

Best Regards,

Irma Ristanti
